

ER-4-6915

10 October 1953

MEMORANDUM FOR: Personnel Director

SUBJECT : Temporary Increase in Personnel Ceiling for the
Office of the Deputy Director (Plans).

1. On 9 October 1953 [] and I discussed with General Cabell the problem confronting the Office of the Deputy Director (Plans) in reducing its over-all personnel ceiling. It was explained that a particular hardship had been imposed upon the Eastern European Division because of the drastic cutback in the ceiling authorized for the [] and that while the situation could be adjusted over a period of time immediate compliance would be extremely difficult and would impair the efficient operations of the Division.

2. It was agreed that effective immediately the personnel ceiling for the Office of the Deputy Director (Plans) would be increased temporarily by [] positions with the understanding that gradual reduction should take place to revert the ceiling to its normal, authorized level not later than 30 June 1954.
